2022 Candidate Evaluation Worksheet

AZ Legislative District 13

Published by the Gilbert Chamber of Commerce

Written Response

Enter a score for each response:	Mesnard (Senate)	Morris (Senate)	Hans (Senate)	Askey (House)	Harris (House)	Willoughby (House)	Hardin (House)	Maes (House)	Pawlik (House)
	1=poor 5=average 10=excellent								
Give three (3) qualifications/skill sets that make you a leading candidate for Arizona State Legislature. Explain why these qualifications make you a better candidate than your opponents:									
What is your vision for the state of Arizona in the next 20 to 30 years?									
What are the top three (3) priorities you would like to see accomplished during your term as a member of the legislature and why do you believe these are important to accomplish?									
What do you believe is the preferred way to accomplish funding for education (at all levels) and what should the role of the State be in that funding?									
How would you propose to address health care costs and affordability in Arizona?									
If elected to represent this legislative district, who would you consider to be your stakeholders and how would you propose to represent them?									
What experience do you have with complex budgets?									
How would you propose to interact with the Gilbert Chamber of Commerce and how do you see your respective roles on issues that may come before the State Legislature?									
What are your thoughts on repealing the State Statute that requires legislative approval for Maricopa County transportation spending?									
What role does the legislature have regarding future public health emergencies and the impact on the business community?									
What are specific issues where you envision yourself working with differing members of your own party or across the aisle?									
Do you have any final comments or thoughts you'd like to share?

	1=poor 5=average 10=excellent								
Tell us about yourself and why you are running for office in the Arizona state legislature. (no score)									
In your written questionnaire, you mentioned three priorities, what top priority would you introduce and champion that is different from current practices that will further the long-term sustainability of our State. How will you measure the success of									
One of the Chamber's priorities is focusing on attainable housing for our workforce. What solutions might you consider addressing these growing concerns?									
Do you feel we have a shortage of skilled labor and an educated workforce in AZ? If yes, how do you propose addressing the issue?									
Do you agree with the Governor's proposed FY2023 budget? Are there budget items you believe should be inserted, adjusted, or deleted?									
Given the State has a $1.3 billion surplus for FY22, how would you allocate the additional funds?									
What policies would you advocate to promote continued economic development in Arizona? What is your stance on tax incentives for business attraction?									
If elected, how will you demonstrate your support for the business community in Gilbert and the State?
