The Gilbert Chamber (a 501(c)(6) entity) and the Gilbert Chamber Foundation (a 501(c)(3) entity) are committed to serving our members and community as the **CATALYST** for business growth; the **CONVENER** for leaders and influencers; and the **CHAMPION** for a stronger Gilbert.

### **CHAMBER PROGRAMS**

**ADVOCACY is our BUSINESS.** We serve our members as a **convener** of businesses with elected officials and management teams at the Town of Gilbert, Maricopa County, education communities, State of Arizona, and in Washington DC.

- *Our **Public Policy committee** hosts the Good Government Series which brings elected officials together with our members including the Town of Gilbert, Gilbert Public Schools, Higley Unified School District, District 12, District 17, Maricopa County Supervisors, and Congressional delegates. In addition to these interactive sessions, the Public Policy committee hosts a monthly Speakers' Series for members. The committee continues its watchdog role of identifying business issues such as taxation, regulation, ordinances, and legislation that may impact our members. We defend business values and the ability to manage their workforce without undue burden and regulations.*
